

# Redefining The Rules

METRO CHAMBER production

With Featured Speakers: Alison Levine, Carey Lohrenz & Jade Simmons

## Determined.Driven.Dedicated.Decisive.

No one word defines **LEADERSHIP**. It is a passion, a purpose, a **PERSPECTIVE**. Join us for **Perspectives on Leadership** celebrating those leaders who are breaking down barriers and **Redefining the Rules**. Hear from women in varying industries and walks of life as they share their personal journey, the importance of failure and significance of risk. Learn how their experiences shaped who they are today and how they marched forward when faced with opposition. Join us as we showcase leaders who are driving the dialogue in their respective industries and paving the way for future leaders.

**Emcee:** **Cristina Mendonsa**, ABC10
