Business leaders are the innovators of change. As innovators, our members change the trajectory of the Greater Sacramento by providing ideas to sustain and promote a business friendly community. The Metro Chamber then turns those ideas into action, drafting and promoting policy that supports, not inhibits, business.

## THE VOICE OF BUSINESS

At the Metro Chamber, our business is business. When we negotiate policy on business' behalf, it is with business in mind. Taking direction from our members and business leaders, we ensure that business has a seat at every table where decisions are made.
